THIS IS... HITTING NEW HIGHS ON FAMILY ADVENTURES

Immersive, innovative, imaginative: the thrills you feel onboard will reinvent how you experience the physical and the sensory; the external and the internal; the mental and the emotional. Be stunned by the expansiveness of the sky on RipCord® by iFLY®, stand in awe with a drink in your hand at our Bionic Bar® at sea, or spark your epicuriosity at Jamie's Italian by Jamie Oliver. Come Seek the *Quantum of the Seas*®.

Jamie's Italian

THIS IS NOT A PHYSICAL EXPERIENCE.

This is for the trail blazers. Defy gravity on RipCord® by iFLY®, the first skydiving simulator at sea. Float above blues skies in the North Star® for 360° views of the world. Go bolder on a boulder at our signature Rock Climbing Wall. Surf waves on waves on the FlowRider®, our 40-foot-long surf simulator.

THIS IS NOT THE INDOORS.

This is a door to another world. Revolutionary spaces that fit every type adventurer at SeaPlex® -- a trapeze school, a full-size basketball court and the first-ever roller rink and bumper cars at sea. Sonic soundscapes fill the place in an epic fusion of music, performance art and innovation at Sonic Odyssey; the theatre becomes you, and you become part of the performance.

THIS IS NOT INNOVATION.

This is a melding of social and technical realms. Step into imagined realities at Two70® where worlds collide, and your view is transformed by seamless video projection, robotics and human artistry. Mix things up with two robotic bartenders that customises your drink at the first Bionic Bar®* at sea.

*Additional charges apply for specialty dining and alcoholic beverages.

THIS IS FOR THE ELEVATED GOURMET RISK-TASTERS.

Authentic and epicurean explorations await at Jamie's Italian* by Jamie Oliver. Try his Italian Famous Plank piled with cured meats and cheeses or freshly prepared pastas made in-house with tender loving care. Have a large slice of the Big Apple's classic New York-style pizzas for the authentic experience at Sorrento's, complimentary as part of the Royal Caribbean experience. Go gourmet without compromising on the healthy and the hearty at Two70 Café, a marketplace which you can customise salads, sandwiches, and homemade soups, also on-the-house!

BANGKOK (LAEM CHABANG[†])

The overnight stay offers more experiences in this vibrant capital city of Thailand, like bustling night markets and dinner in chic rooftop restaurants. Wat Pho is a must-see, famous for its huge gold-plated reclining Buddha and renowned massage school. For shopping, visit the Pratunam district for some shopaholic satisfaction.

BEIJING (TIANJIN[†])

Tianjin's mix of colonial and Chinese architecture makes it fascinating to explore. Don't miss the Nanshi Food Mall, with over 100 stalls selling delicacies from all over China. Tianjin is also the gateway to Beijing, where you can retrace the steps of the last Emperor in the Forbidden City, or make a pilgrimage to the magnificent Great Wall.

FUKUOKA

Try tonkotsu ramen, a Japanese noodle soup sold at street stalls in Fukuoka, on Japan's Kyushu Island. Explore the city's ancient temples, beaches and modern shopping malls, or visit the impressive Fukuoka Art Museum in Ohori Park.

HO CHI MINH CITY (PHU MY[†])

Explore the tunnels where Viet Cong fighters lived during the Vietnam War. See the mix of French colonial, Asian and modern architecture in the former Saigon and visit The History Museum for 2000 years of Vietnamese history. Sample the tantalising food stalls of Ben Thanh Market and tour the incense-filled Jade Emperor Pagoda.

HONG KONG

Be blown away by the exhilaration of Hong Kong and its fascinating mix of East and West. Take the funicular to the Peak for some spectacular views. Ride the historic Star Ferry from Hong Kong Island to Kowloon or experience a thrilling cable car ride to the impressive Big Buddha and the tranquil Po Lin Monastery on Lantau Island.

HUE/DANANG (CHAN MAY[†])

Set on the Perfume River, the former imperial city of Hue is tranquil and filled with history and heritage. Chan May is a gateway to other cities of central Vietnam, including Danang, whose long white sands were dubbed China Beach.

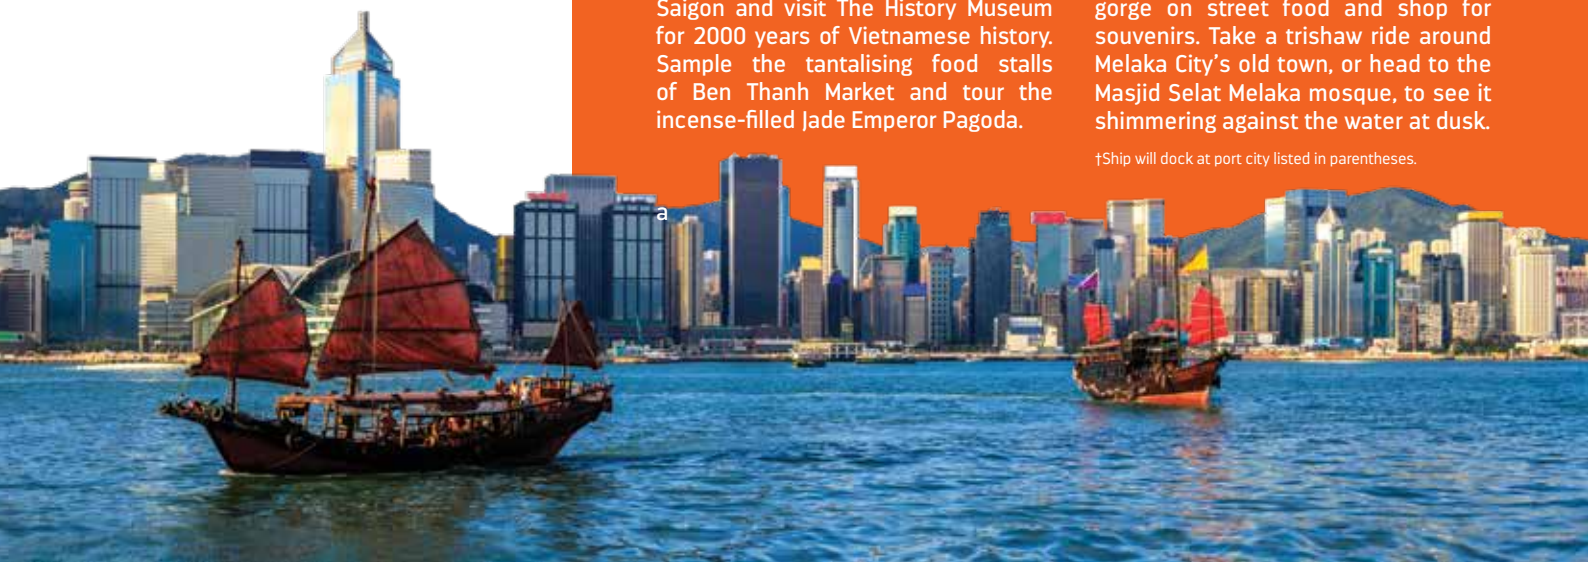

TAIPEI (KEELUNG[†]), TAIWAN

Take an exhilarating high-speed elevator trip to the 89th floor of Taipei 101, one of the tallest buildings in the world. See ancient Chinese imperial artifacts and artworks at Taipei's impressive National Palace Museum or indulge in the exotic flavours of the lively street food scene.

MELAKA

Influenced by the Portuguese, Dutch and British, Melaka has an unmistakable Old World vibe. Learn to cook Peranakan cuisine or visit the fortune tellers at lively Jonker Street Night Market, where you can gorge on street food and shop for souvenirs. Take a trishaw ride around Melaka City's old town, or head to the Masjid Selat Melaka mosque, to see it shimmering against the water at dusk.

[†]Ship will dock at port city listed in parentheses.
